

CHELLASTON-IN-BLOOM – THE RESULTS ARE IN !

Following the inspection by the RHS in the Summer, the Action Group are pleased to have been awarded level 4 – “Thriving” for the effort put into the various beds and planters in and around the High Street and elsewhere. This is a level up from that awarded the first time that Chellaston entered in 2019. The assessors were very enthusiastic about what had been achieved despite the difficulties of the year and are looking forward, as we are, to what they might find next year. To see the full report, visit www.chellaston.org.uk. You can also contact us through the website if you are interested in joining the volunteers – gardening skills are not necessary!

The Chellaston-in-Bloom scheme is funded with the help of the Chellaston and Shelton Lock Neighbourhood Board and also by the Chellaston Residents' Association's "100 Club", a monthly prize draw. You can help to keep "Bloom" going by becoming a subscriber – just go to the website for details.
