

WOMENS' INSTITUTE SPONSORS PLANTING

You may have noticed that new barrels have appeared by the bench on the corner of High Street and St. Peter's Road. The barrels were kindly donated by Rainbridge Timber of Alfreton, installed by the Action Group and filled with soil given by a local resident. The tubs have now been planted up by the WI and have improved that

corner considerably. Now we hope that there will be enough watering (natural or otherwise) to keep these and the other planters looking good. We understand that the RHS will run some kind of award scheme this year but we are awaiting details of how it will operate.

WILD FLOWERS ON THE SPIRIT BANK

We have recently been gathering opinion about the possibility of creating a wild flower bed on the "Spirit of Chellaston" bank. Replies so far have been positive and you can add your own comment on our Facebook page.

SPIRIT OF CHELLASTON – CANCELLED

Unfortunately, the Spirit of Chellaston event, due to take place on July 10th has had to be cancelled due to the extension of restrictions announced by the Government. We hope that there will be a "Spirit" in 2022 and it will be bigger and better!
