

THE NEW CHELLASTON COMMUNITY GARDEN
GRAND OPENING
SATURDAY 25 JUNE, 11 am

(Artists' impression)

At long last, our new feature for Chellaston will be formally opened later this month. It has taken over three years of effort on the part of The Chellaston Community Garden Partnership to achieve this but we do hope that residents and visitors will be pleased to see the new garden when it is completed. It will be opened on Saturday 25th June and all residents and contributors are invited to this event.

Why not be one of the first to step into the new garden? Come along to the Community Centre (Barley Croft) at 10.45 am for the garden opening at 11 am. We will be providing refreshments and hopefully a glass of something sparkling to celebrate this new addition to Chellaston!

If you can't make it to the opening, please try to help in other ways. We still need donations for plants and you can also join our monthly prize draw, "The 100 Club", which will give us a regular income for future maintenance. Details are on our website or Facebook.
