

### **GARDEN PROJECT – WE'RE WELL ON OUR WAY TO THE TARGET !**

Thanks to the generosity of some of our residents and businesses, including Crockers Marquees and Playdays Nursery, we are over two-thirds of the way to our Autumn target of £3000, which we need as a community contribution to qualify for a grant from the Veolia Environmental Trust. We just need a final push to get there and this is a great way for everyone to contribute to Chellaston's future. As well as looking good, it will of course also help to improve the environment.

If you would like to contribute there is still time. Every donation to the project will be welcome and will help us to create this new and exciting feature for Chellaston. You can contribute through:

**Our website, [chellaston.org.uk](http://chellaston.org.uk)** (PayPal or card)

**By Post to** The CRA, 6 Wimbourne Close, Chellaston, Derby, DE73 6TW.  
(Please note that our Crowdfunder appeal has now closed.)

By the way, if we collect more than our target, we will use the extra to buy more artwork or other improvements for the garden when it is built.

***A big thank-you from the Project committee!***
