

### **AN INSPECTOR CALLS**

The RHS visited Chellaston in the Summer to inspect the planters and beds that the Action Group and the WI have been working on for "Chellaston-in-Bloom". They were able to see what has been achieved despite Covid restrictions including our new planters on the Pinfold, sponsored by the History Group, which were

made and painted by local residents. We were pleased to note that the inspectors, Jeff and Irene, were impressed by our efforts this year and think we should be aiming for higher things in future years which could involve more of our community, including the schools and other organisations. Please contact us if you would like to assist us to keep Chellaston looking good.

### **CHELLASTON COMMUNITY GARDEN PROJECT**
