

**THE CHELLASTON COMMUNITY GARDEN**  
**NOW WE NEED TO RAISE THE FUNDS !**

The first of our fundraising events took place in mid-August and this was a table-top sale at the garden site on High Street. A large variety of items were on offer from clothes to books and even some garden produce. Everything was donated by local residents and we would like to thank everyone who helped in this way and on the day. A good start was made on our initial target of £3000 which the community will need to contribute towards a grant that we have applied for from the Landfill Community Fund. If you missed this one, please look out for our next sale later in the Autumn.

If you, like us, think that this new garden will give Chellaston a really good central feature, you might like to contribute to help towards our total. You can do this through the **CRA website** – look for the “donate” button where you can use Paypal or card. We will pass all donations on to the project. We also have a Crowdfunding page – go to [crowdfunder.co.uk/chellaston-community-garden-1](http://crowdfunder.co.uk/chellaston-community-garden-1) . All details are on our website or you can get in touch by e-mail. Thanks for your help!
