CHELLASTON RESIDENTS' AUTUMN FORUM

Although the Chellaston and Shelton Lock Neighbourhood Board has been re-formed, there are no plans at the moment to reintroduce the Neighbourhood Forums which used to be arranged by the City Council at various venues in the ward. We are therefore going to fill the gap with an Autumn Forum for Chellaston residents – although we will also be pleased to see anyone from Shelton Lock who wishes to attend.

The Forum will be an excellent opportunity for Chellaston residents to meet the CRA committee and we will include in the programme items of topical interest to residents. Residents will have the opportunity not only to find out about what is happening in the community, but also to ask questions on the matters being discussed as well as any others which they would like to raise.

The Forum will be held at -

**Chellaston Community Centre, Barley Croft
on Saturday 16th November at 10.30 am.**

There has always been a good turn-out of residents to local Forums and we hope that you will be able to come along to this one.

CHELLASTON-IN-BLOOM

The Action Group was busy over the Summer keeping the beds and planters tidy and watered ready for the inspection by East Midlands in Bloom in late July (pictured). We hope to have their assessment soon and if you would like to help the Action Group in any way, please get in touch with us.
