

Tommy at Remembrance Service.

There was a great turnout at this year's Remembrance service at St. Peter's Church, commemorating 100 years since the end of WW1. Tommy did not miss out.

Tommy was purchased by donations. We raised £905 from groups and individuals. Tommy cost £776 (including postage) The extra £129 was given to the British Legion Poppy Appeal.

Chellaston Neighbourhood Planning Forum (Update from Ann Witheford Chair)

The Last issue of Chellaston Matters set out how the Chellaston Neighbourhood Forum is working to develop the Chellaston Community and Neighbourhood plans. You can find a copy of the article in the CRA website www.chellaston.org.uk

Currently the committee and Forum discussions are focussing on Transport and Parking in and around the centre of Chellaston, our schools and the adjacent residential roads.

As the population of Chellaston has increased and families' work patterns have changed, the road network and parking facilities have come under severe pressure, particularly around the start and finish of the school day. Some of the objectives for the Neighbourhood Plan that are emerging through engagement with the community are as follows:

- Improve the road network to accommodate the extra local traffic generated by the new housing developments as well as through traffic.
- Provide adequate public car parking in the village centre.
- Encourage and support the provision of, and improvements to, pedestrian and cycle routes into and around Chellaston to create a more sustainable and safer environment, reduce reliance on the car and offer healthier life style option.
- Improve the provision of bus services and provide a Park and Ride Service for those accessing Derby from the South.

You can learn more and join in the debate by joining the Forum Facebook page (Chellaston Neighbourhood Planning Forum).

The CRA produce these newsletters to help engender community spirit. They are funded by a 100Club and delivered by volunteers. We are always happy to add volunteers to our delivery group. If you would like to volunteer for about half an hour, three times a year then get in touch at info@chellaston.org.uk

Our website www.chellaston.org.uk has much more information on it.
